Dear Mr. Zurita :

RE: Response to - Election/Restrictions:

- Application Control Number: 09/877,094

In reply to your letter dated 27 October 2004 and re-mailed 27 January 2005 please find:

- A) The original Generic Claim OCT 27, 2004 ; 1 page
- B) The Revised Claims April 25, 2005; 2 pages
- C) Revised Claims Clear Text April 25, 2005; 1 page
- D) Fee Transmittal for FY 2001; 1 page

The revised claims:

- correct the informalities noted your letter
- In Claim 1, avoid confusion with browser reload buttons and specify that is client side only.
- In Claim 6, "to overcome browser cache" was added to distinguish the "intermediate referring page" from other pages that only link to the order summary pages. Technically, as explained in the disclosure, the browser will reload an outdated order summary page from the browser cache. Since the item selection varies, it is necessary to direct the browser to an "intermediate referring page" so that the browser displays the current item selection.
- It is believed that the claims are sufficiently narrow to avoid references you emailed on 19 April 2005. Claim 1 specifies "a web browser for online electronic shopping". Claim 9 specifies wherein said order page, ..., displays of at least one item for said selection or change of item quantity. This clearly different from spread sheets with cells to fill; loan calculators filling in the blanks to compute financial values; and as best as I can determine the OmniForm 4.0 desktop form filling application which requires "item id" to bring up description, price It is not clear what functionality of desktop application was exportable the custom web servers, but since only their servers can be used it implies client-server relationship, not a client side application.

Since we are proceeding a general set of claims, I withdraw the following claims from further consideration:

- claims 20-34 (III)
- claims 35-46 (IV)
- claims 47- 60 (V)
- claims 61-69 (VI)
- and claims 70-72 (VII).

In my current claim set there is one independent claim and nine dependant. The attached Fee Transmittal for FY 2001 shows Extra Fee Claim Fees of \$628.00 which I request a refund which can be processed at such time to be applied to the patent grant or refunded should patent be denied.

Yours Truly
